

RIDGEDALE'S MIDDLE SCHOOL CHOIR SUMMER MISSION

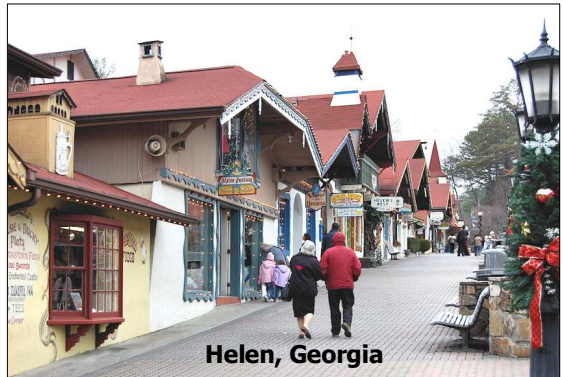

Northeast Georgia Mountains

June 2-5, 2011

Ridgedale's Middle School Choir will be serving this summer with the Georgia Mountain Resort Ministries (GMRM), a division of the Georgia Baptist Convention. GMRM exists to share the love of Christ and the care of His church with the people who live, work, and play in the Northeast Georgia Mountains.

Using our music, Middle School Choir will present Family Evening Programs (concerts) in campgrounds in the northeast Georgia Mountains, at the Sunday morning worship service at Unicoi State Park, and perform at the amphitheatre in downtown Helen where many people will have the opportunity to hear the message of Christ and His love for them through song.

Hands-on missions work will include "Random Acts of Kindness" in resort areas, face painting, balloon animals, water bottle distribution and possibly river clean-up.

Great lodging will be part of our time in the mountains. We'll rent a large house for the weekend with lots of things for you to do during your free time. Multiple TVs with DVD players, a pool table, an air hockey table, a large outdoor hot tub, a basket ball court and horse shoes are all available to us, and the golf community where the house is located has a swimming pool and tennis courts.

We will also visit a water park, go tubing on the "hooch" (the Cataloochie River), and take some group hikes to some great waterfalls! At each of these fun events, Middle School Choir will be on mission, sharing Jesus through whatever creative ways God gives us.

Sunday night, June 5 we'll return to share our adventures, sing our music and tell what God has done through us at our Home Concert/Mission Celebration. All participating students are expected to be part of this evening.

Costs and Payments

Student cost includes lodging, all activities and most meals.
Expected Cost per Student: \$100.00

- Payment 1: \$35.00 due Wednesday, March 9
- Payment 2: \$35.00 due Wednesday, April 20
